On vacation 1

We're taking a quiz about our city. But we aren't at home. We're running around the city and finding the answers!

The questions are on our phones. We send a text with the answer and then we get another question. It's a competition and it's really fun!

Cody and I LOVE food from different countries. Today, I'm cooking an Indian curry and Cody is making a Thai curry. We have the recipes and all the ingredients. Dad is helping us.

✖ **TRY A STAYCATION!**

ARE YOU ...

bored with beaches? ✓

looking for something different? ✓

Try a staycation – a vacation, but you can stay at home! Here are four ideas.

For our staycation, my sister and I are volunteering at a food bank. Stores and companies give food to the food bank and we give it to hungry people who need it.

We don't get any money, but we're happy because we're helping people.

Miguel

This afternoon, I'm visiting museums in New York, Paris, and London. How am I doing it? Online, of course!

At the moment, I'm looking at art in the Museum of Modern Art in New York. It has an awesome website. You can create collections of your favorite art and share them. I'm sending my collection to my best friend.
